The screenshot displays the login page for the SMS Service Management System. At the top, the logo features a stylized 'S' with a red and blue pin icon, followed by 'SMS' in large black letters and 'Service Management System' in smaller text below. There are three input fields, each with a red oval highlight: the first for 'Username' containing 'divtvv_147', the second for 'Password' with masked characters, and the third for 'Validation Code' containing 'FdNq'. To the right of the Validation Code field is a small image of a security code. Below these fields is a blue 'Login' button. A large red arrow points upwards from the bottom towards the Login button.
